

## Technical specification sheet

# HGC 25 | Connection Nipple

Specifications		
article number		100.002.983
model		HGC 25
short description		Connection Nipple
max. working pressure	bar/Mpa	360 / 36
weight, ready for use	kg	0.953

Technical drawing dimensions		
dimension A	mm	75
dimension B	mm	61
dimension H	threadsize	2" NPT
